### First Man.

Mr. Joseph Reese, of Big Hill neighborhood, a prominent young farmer of that section, has the honor of being the first Madison county man to pay his poll tax for 1911. Although the tax books are ready in March, the taxpayers are slow about coming in. Several wealthy citizens are wise to pay their taxes before April 1st to avoid giving in the cash in bank to the city assessor, and this is also true in the county, where many pay their taxes before September 1st to avoid giving in the same money for the coming year.

### The World's Mistake

Once I knew a country lad  
Who left his mother's home  
To mingle in the city's strife,  
With stranger's there to roam.  
He went the gait; he knew thru all  
His money flew like snow:  
In society's realm he shone a star  
Within their gilded show.  
And then repentance came to him,  
For home he bent his way;  
The place was crowded when he came,  
And each of them did say:  
"Most welcome, prodigal boy, come in  
And let us worship you!"  
We'll all forget, forgive the past,  
And start you in anew."  
Once I knew a maiden fair,  
Who had such pleasant ways,  
My language here and there portray,  
Due justice to her praise.  
But lo! she fell, as others have,  
And will till time's decay,  
Till sun and moon refuse to shine,  
And all have passed away.  
And then repentance came to her,  
She plainly saw her sin;  
No door to let her in.  
We ask Thee, O Most Merciful God,  
To let one blessed ray  
Shine in our hearts, so we'll forgive  
This erring girl today.  
—Sun Wilson, in Hazel Green Herald.

### Begin Soon

The first of July will witness a wonderful change along the L. & N. railroad system. The telephone will take the place of the telegraph for dispatching trains. The L. & N. is one of the first roads to use this up-to-date system showing its great effort to be perfect in running trains and avoiding accidents. By a system of repeating all messages and writing them down as they are sent and delivered, the operator and the dispatcher are able to keep even a more complete record of all that transpires than if using the telegraph. Practically the only difference between the two systems is that the telephone uses direct conversation and the telegraph only written words transmitted by the comparatively slow Morse alphabet. With the telephone, the dispatcher gets in closer personal touch with every man on the road through the use of that instrument than he ever was able to do with the telegraph.

### Odd Fellows Re-Union

The members of the local Lodges O. O. F., are very much interested in the great Re-Union of all Odd Fellows, their families and friends throughout Kentucky and Southern Indiana, to be held at Louisville, Ky., on Tuesday, July 11th. The Re-Union will be held in Fontaine Ferry Park, one of the greatest pleasure resorts in the United States. To make the Re-Union one of especial importance, the children of the Widows' and Orphans' Home at Lexington will be taken to Louisville by special train, and also the children of the Widows' and Orphans' Home at Greensburg, Indiana. Preparations are being made to give these children the greatest day they have ever had or ever will have.

### Grand Sire, John B. Cockrum

has been invited to be present, and the Grand Masters, Grand Secretaries and Grand Patriarchs of Illinois, Indiana, Ohio, West Virginia, Virginia and Tennessee, have also been invited. Many of them have already signified their intention of being present.  
In Kentucky, the Odd Fellowship has now 32,000 members. In Southern Indiana 20,000. Every one of these 22,000 members have been notified of this Re-Union. The railroads of Kentucky have given a one fare for the round trip, and the Indiana roads in the Louisville territory one and one-half fare for the round trip.  
One of the most enjoyable features of the Re-Union is the basket picnic. Each family is expected to take their dinners in baskets, and eat them picnic fashion. Grand Master Grober, of Kentucky, and Grand Master Stipp, of Indiana, are both exerting all of their influence toward getting every Odd Fellow within reach of Louisville to attend.

## FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extreme of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.  
In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin, it will be a wonderful laxative.
